IMPORTANT
 In case of hair dyed or highlighted we will use the Strong, Medium or Soft smoothing cream depending on :
 > the colour of the highlighted hair and the quantity.
 > the porosity of hair.

CAUTIONS

Do not wash the hair over the 3 days following the treatment, or use bunches or tail or something that let marks on the hair.

If you want to use hair-straightener after the treatment, apply the **Keratin Balsam 6**.

It is recommended that client uses the **Post Shampoo 4**, the **Keratin Mask 5** and the **Keratin balsam 6** every time that he wants to use hair-straightener so as to maintain the treatment.

DO NOT APPLY HEAT DURING THIS STEP.

Over hair very damaged or bleached, it is not recommended to realize this type of smoothing.

This line offers two fundamental uses:

- 1 Permanent smoothing treatment (between 3 and 4 months).
2. Moisturizing treatment.

Our line with Keratin is made up of six products :

- 1 Pre Shampoo.** 250 y 1000 ml.
- 2- Soft smoothing cream.** 200 ml.
- 2+ Strong smoothing cream.** 200 ml.
- 3 Neutralizer.** 400 ml.
- 4 Post Shampoo.** 250 y 1000 ml.
- 5 Keratin mask.** 150 ml.
- 6 Kerating Balsam.** 75 ml.

PRODUCT APPLICATION ORDER FOR THE SMOOTHING TREATMENT

1. Wash the hair with the **Pre shampoo 1**.
2. Rinse with warm water and mop up humidity with a towel. (Do not apply mask)..
3. Separate hair in sections. If we observe very damaged zones of the hair such as highlighted locks, it is necessary to apply PROTECTING LOTION FOR POROUS AND DAMAGED HAIR before starting the smoothing.
4. Apply the **Smoothing cream** with a dye trowel (use gloves), distributing uniformly with comb, starting from the nape of the neck, from roots to the ends of hair.
Check the hair elasticity every 5 minutes.
5. Let it act between 15 and 20 minutes.
6. Rinse with warm water and mop up humidity with a towel.
7. Apply the **Keratin Balsam 6** and distribute it uniformly over the hair.
8. Dry with a hair-dryer and smooth with a hairstraightener.
9. Apply the **Neutralizer 3** with a dye trowel (use gloves), and see to keep the hair wet.
10. Let it act for 10-15 minutes, **keeping the hair as straight as possible.**
11. Take off the product with abundant warm water.
12. Wash with the **Post Shampoo 4**.
13. Rinse with abundant warm water.
14. Dry with a towel.
15. Apply the **Keratin Mask 5** uniformly. (Let it act for 10-15 minutes).
16. Rinse with abundant warm water.
17. Finally, dry with a hair-dryer.

The obtained results are spectaculars, providing between 3 and 4 months fo smooth and shinning hair, without using formol.

It is recommended to cut the ends of the hair if they are open or damaged, so as to insure a good result.
